

# REMOVAL ASSESSMENT DECISION - EPA REGION 10

Site Name: Treoil Industries

EPA ID #: \_\_\_\_\_

Contractor/TDD Number: Ecology and Environment, Inc. 00-03-0008

Address: 4242 Alder Grove Road

City: Ferndale County or Borough: Whatcom State: WA

Report Type: Trip Report Report Date: September 13, 2000

## OSC DECISION:

Further Removal Assessment/Action is/is not (circle one) required because:

- ☒ 1. Removal assessment conducted, no further action required.
- ☐ 2. Referred to other EPA division: \_\_\_\_\_
- ☒ 3. Referred to other agency: WA - DOE
- ☐ 4. Clean up already in progress.
- ☐ 5. Wasn't able to locate or verify complaint.
- ☐ 6. Clean up appropriate but delayed due to resources or priority.
- ☐ 7. Other - discuss below.

## DISCUSSION/RATIONALE:

• OPA SITE - NO DIRECT THREAT OF RELEASE  
 • EPA conducted OPA site assessment at request of W-DOE. Site  
 was abandoned oil processing facility - used oil from kraft paper processing  
 • Many tanks & drums on site.  
 Owners were contacted and larger amounts of product & drums.  
 Most of product in solid phase.  
 Although adjacent to creek - no indication of release or direct  
 potential.  
 See site file / PAPER for more info.
